**T**ry some Mediterranean splendour  
at Aphrodites. With the authentic  
and not forgetting healthy tastes of Greece  
and Cyprus, Aphrodites offers you  
something a little different.

Fastly approaching it's fourth year in  
business, this family run restaurant in East  
Reach, Taunton, offers an extensive menu  
and a vast drink selection to suit all tastes.

The menu has a huge range of fish, meat  
and vegetarian dishes all cooked in their  
own unique way. There is something for  
everyone making it perfect for large group  
bookings.

The food is freshly prepared and cooked  
on the premises using the traditional  
method of cooking the meat over charcoal.  
This gives the food a great flavour. Where  
possible the ingredients are locally sourced  
and organic.
